## THE CLUB'S HISTORY

The Central Districts Motorcycle Club Inc is based in Palmerston North and has members throughout the Manawatu and Horowhenua. Formed in 1982 by a group of riders with a common interest in road touring, this remains the principle interest of its members.

Club nights are held on the first Monday of the month at the Navyman's Club Rooms on the Corner of Domain and Willis Streets in Palmerston North, 7:30pm.

The club keeps members up-to-date with coming events via its monthly newsletter 'The Motorcyclist' and our WhatsApp group.

Regular club rides are held, including, economy runs, midnight and mystery rides, and shorter rides ending up at out of the way cafés. In addition there are social events and members also attend rides throughout the country.

Highlights of the CDMTCI calendar include the annual Manfeild Fun Days.

Club membership is varied in age as well as choice of bikes, ranging from tourers to sports bikes, cruisers and dual purpose machines.
